90 YEARS OF RUGBY IN HERTFORD

In November 2022 we celebrated the 90th anniversary of the founding of our Rugby Club.

When we look at the facilities we now have at our disposal, a large social clubhouse, large changing facilities (that will be upgraded and enhanced in the future) and over 57 acres of land for car parking and numerous pitches for our senior, youth, mini, mixed ability and girls sections, we are humbled by all the support of sponsors, patrons, club members and dedicated volunteers who made all this happen.

COMMUNITY

Giving back to the local community is very important to our Club.

Our big charity fundraising event takes place on our annual Ladies Day and Supporters Charity Lunch. This has now raised over £33,000 during the eight seasons it has been held and for the last few seasons we have supported some amazing local charities such as Mudlarks, Hertford Disability Support Group, Herts Young Homeless, Keech Hospice Care and Isabel Hospice.

Our grounds are used by a number of local schools for their sports events.

We are an active member of the Herts Chamber of Commerce.

Each year we train over 20 new coaches and referees of all ages; and send members onto

the excellent RFU Leadership Course.

This results in our young players being taught to understand T.R.E.D.S, being the core values of our sport:

- Teamwork
- Respect
- Enjoyment
- Discipline
- Sportsmanship

Everyone involved in rugby at our Club, whether as a player, coach, referee, administrator, parent or spectator is expected to uphold these core values. As a Club we are inclusive, diverse and maintain the highest safeguarding and anti-bullying standards.

So, if you believe your line of business would benefit the Club then why not consider offering your services as a "Service Sponsor" by contacting:
